Please note:

- ❖ Please contact us for information about our rates for other language combinations as well as for special file formats, including CAT and DTP applications, or for interpreting.
- ❖ The prices in the Standard Rates table are based on source words. If we receive source text as a hard copy or fax, which makes it impossible to count the words electronically, our calculation will be based on the word count of the target text.
- ❖ Prices for translation include revision/proofreading by a second translator.
- ❖ For rush orders we ask for a 30% surcharge.
- ❖ Volume discounts or discounts for regular clients can be offered after mutual agreement.
- ❖ If the order is cancelled after we have started to work, we will charge for the work already processed, with a minimum charge of 10% of the total order price.

Price list valid as of August 1st, 2008.
